## Your Ideas Our Energy

OPAL-RT's 15th annual conference on real-time simulation will take place in the vibrant city of Lisbon, Portugal from November 13th to 16th. RT23 will feature a range of hands-on workshops, keynote and technical sessions covering a wide range of topics including power systems, energy conversion, eMobility, and more.

The conference will also offer a unique opportunity for attendees to network and socialize with their peers, see cutting-edge demonstrations, and learn from industry leaders. It will provide attendees with the knowledge, skills, and connections they need to advance their careers and stay up-to-date with the latest advancements in real-time simulation.

The slogan "Your ideas, our energy" reflects the essence of RT23's commitment to fostering an environment that encourages innovation and that will help the world build better and more sustainable solutions. Whether you're an expert or a newcomer to the field of real-time simulation, RT23 is the perfect conference to take your ideas to the next level and energize your career.
